

# **JOB VACANCY**

## **Landscape Construction Staff**

Bosworth's Landscapes are currently looking for landscape construction staff, to help with the ongoing growth of the business.

We are a well established, award winning domestic landscape company producing top-end design-build projects in the Northamptonshire area and surrounding counties. Based at Bosworth's Garden Centre in Burton Latimer.

### **Job Requirements**

- Basic Construction experience is preferred, but not essential, Groundworking, Carpentry and Bricklaying are all skills required as a Landscaper.
- Valid UK Driving License essential
- Ability to work within a team of 2-3 people, to complete projects efficiently and on time
- A 'can do' attitude, and a willingness to learn and produce quality work are essential.
- A positive attitude towards colleagues and customers with good communication skills
- To be able to work tidily and efficiently at all times.
- The ability to work with a wide range of products to create inspiring gardens.
  - Timber is used to create Decking, Fencing, Pergolas, retaining walls and raised planting Beds.
  - Different types of stone, bricks and walling are used to create retaining walls, garden features, ponds and boundaries.
  - Paving is laid using modern materials such as Porcelain and smooth cut stone, as well as traditional natural stone and a wide range of Concrete based paving.
  - Water features require a basic knowledge of Plumbing as well as other skills.
  - Soft landscaping - Planting and Turfing - is carried out to create the final visual aspect of the garden.
  - Driveways are installed using basic block paviors, as well as using Rumbled Setts, Granite Setts and Natural Stone, and are used in a creative way.

This role may suit a young person, who is interested in construction and has a willingness to learn the basics of different trades. Training options will be available to keen and motivated staff.

If you are interested in Construction, are able to turn your hand to several trades, and have an eye for detail, then Landscape Construction will be an extremely rewarding career.

### **Salary and Hours**

Working week will be 7.30-4.30, Monday to Friday.

Salary commensurate with age and experience, up to £18,500 for the right candidate.
